An Update from  
Word of Faith International  
Christian Center Church

March 2020

*Hello Word of Family,*

In the midst of this *Coronavirus/COVID-19* challenge facing the world and our state, I would like to keep you informed and updated about the measures we are taking here at Word of Faith.

Beginning this Sunday and *until further notice*, we will be *expanding our seat capacity* at the start of service to allow people to sit further away from other people if they desire to do so.

We are also *increasing our sanitation practices* here at Word of Faith before and after each of our services.

And lastly, *we want to encourage you to keep your church going with your giving*. The Bible says in *Malachi Chapter 3.10*:

*“Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.”*

So, you want to continue giving so that you can be blessed. And at the same time, you can do what the Lord said to keep something in the house of God so other people can receive and feed from the Word of God too!

**Here are five (5) ways you can give:**

- 1. IN PERSON:** (a) Of course, you can give in person at any of our services using the offering receptacles in our lobbies; (b) We also have a 24-hour option which is our giving slot located in our Receptionist Main Office area; and (c) There are offering envelopes available in this location as well.
